

ES50

Heavy Duty Pass-Through Recirculating Warewasher

The Eswood ES50 warewasher is Australian designed and built to last in harsh conditions. Its compact form excels in commercial kitchens, offering continuous performance. Independent upper and lower spray arms ensure thorough cleaning, while digital temperature displays ease monitoring. Standard detergent and rinse aid pumps streamline the process. Meeting high health and sanitary standards with FSANZ, HACCP, and WaterMark certifications, the ES50 is a reliable and efficient solution for safe food handling and maintaining a hygienic workspace.

ES50 standard features and benefits

- Counter-balanced lift-up hood with ergonomically designed wrap around handle
- Durable stainless-steel body construction and wash arms
- Automatic fill to wash and rinse tanks
- Digital wash & rinse temperature controllers & displays
